Life. Vitality. Hope. Possibilities.  
Our congregation has partnered

with the Flourishing Congregations

Institute to learn more about these and other qualities in churches across Canada, including our own, and we would like your help! Partner in a larger vision to collaborate around common interests to see congregations/parishes, neighbourhoods, and Canadians flourish, by filling out the anonymous national online survey. We hope for 50% or more of our adult attenders to fill out the 20 minute survey. With strong survey involvement, we will receive data unique to our congregation/parish. Fill out the survey in the next month and be entered into a draw for an iPad, \$50 Amazon gift card, or travel costs to attend the Flourishing Congregations Summit on November 26, 2018 in Calgary at Ambrose University.
