Joshua would like to say thank you so much, to the church family for praying for him and the team during the two weeks mission work at Hastings East Vancouver. Jesus name was lifted up during their presence as they gave Bible messages before feeding the Poor, Homeless and Addiction through the three para-church organization that they worked with. He said that they also had prayer walks on the streets, gave peanut butter and liver wurst sandwiches and offered prayer to those who accepted prayer. There were those people that just wanted the sandwiches. He said it was a difficult mission work but a growing experience. Thank you all again for praying.
